## Cornerstone Charter School Free On-Site Support Services and Learning

Free On-site Support Services and learning are available only to registered Cornerstone Charter School students and will begin Monday, August 17, 2020 under EO 2020-51. The end date is subject to change, depending on our actual return to in-person teacher led instruction.

- There is no charge for Free On-site Support Services and learning hours
- Parents will be required to check-in their student at the start of the day to ensure that necessary materials are in the student's possession (e.g. mask, headphones, etc.).
- Students must be picked up by the end of the school day.
- Unscheduled drop-in days will not be permitted. Students must be registered into the program at least 7 days in advance. Cornerstone Charter School will adhere to a registration cycle for when parents can register a child and when the child can begin attending.
- Students will be in small cohorts and remain in one classroom for the entire school day. Students will connect with their teachers virtually and complete assignments as there will not be live instruction.
- Students will be expected to adhere to behavioral expectations in order to participate.
- Free On-site Support Services and learning is not child care. This is a supervised safe space.
- **Teachers will not be providing academic support.** (Teachers will be instructing their classes virtually.)
- Staff may provide technical assistance (login, navigation, etc.) and help clarify questions. Tutoring is not available.
- Services for English Language Learners and students with disabilities whose free appropriate public education (FAPE) needs, as determined by individualized education program (IEP) teams, require in-person support will be provided specially-designed instruction.
- Local, state and national health agency recommendations are in place including hand sanitizing, social distancing, and face masks.
- Students must bring their own personal headphones.
- Cornerstone Charter School **Waiver, Release, and Assumption of Risk** form **must be signed.**
- Cornerstone Charter School Enrollment packet must be completed.

Consistent with the Governor's Executive Order, a maximum capacity has been set in order to mitigate the potential spread of COVID-19. This means that it is possible that not every registered student will be able to start on August 17. If program interest exceeds capacity, Cornerstone Charter School will work to add additional off-site locations as needed.
